

## Meet Memorial's 2025 Schulich Leaders

Two exceptional first-year students are starting with a major boost to pursue STEM at Memorial. Computer science student Noah Hancock of Happy Valley-Goose Bay and engineering student Jadon Swamidas of St. John's have been named 2025 Schulich Leader Scholars, receiving a combined \$220,000 to fuel their studies. Read their inspiring stories in the [Gazette](#).

Think your student could be the next leader? [Schulich Leader Scholarship applications](#) for fall 2026 are now open. Encourage your students to aim high and apply for one of Canada's most coveted undergraduate STEM scholarships.

### **ICYMI! Discover Memorial through our weekly webinar series**

Join us at one of our [weekly interactive webinars](#) to learn everything you need to know about becoming an undergraduate student.

From exploring programs to understanding the application process, these sessions are a great way for students, parents and supporters to get their questions answered and feel confident about their next move. Check out the [full schedule](#) online.
