

School Lunch Program — Online Ordering

(opens – August 31st)

Dear Parents and Families,

We are pleased to share information about the new Provincial School Lunch Program, launching in schools across New Brunswick on September 8, 2026.

Through the program, families can purchase nutritious school lunches for their children at a reduced cost.

Program overview

Your school's lunch provider is **Chartwells**.

Lunches will be available on school days, with a regular and vegetarian option offered each day. Milk will be included with each meal.

Families will pay:

- **\$4 per meal** for kindergarten to Grade 8
- **\$5 per meal** for Grades 9 to 12

The Provincial School Lunch Program will subsidize the remaining cost of each meal.
